

Intervention Team: Primary (ITP)

Hammersmith and Fulham team

The focus of this support is **early intervention**.

- Consultations regarding possible referrals (unlimited but subject to capacity)
- Playground support (intervention package)
- LSP support for support staff in running Lego therapy or skills teaching sessions
- Structured, time-limited re-integration of learners from Ormiston Courtyard Academy
- Preparing for transition to Year 7

Referrals can be made for individual learners or whole classes from reception to Year 6.

Parental/carer consent must be obtained by the school for individual referrals.

Referrals made by schools to ITP will be responded to within 6 weeks.

Following an initial meeting and observations, the ITP teacher will decide whether the input will be at level 1, 2 or 3 (this may also depend on capacity).

Level 1 intervention

Information gathering (observations), feedback, assessment and recommendations.

Level 2 intervention

Information gathering (observations), feedback, joint intervention planning, monitoring and review.

Level 3 intervention

Information gathering (observations), feedback, joint intervention planning, implementation support or direct work with the individual learner/whole-class, monitoring and review.

ITP will liaise with Ormiston Courtyard Academy regarding pupils at risk of exclusion. It is anticipated that every learner referred to Ormiston Courtyard Academy will have already been referred to ITP and will have had recent ITP level 2/3 intervention.
